

# THE BIRTHDAY EXPERIENCE

- Upon arrival, you will be greeted by your dedicated party host, who will guide you to your designated party area. Popcorn, lollies, and drinks will be ready and set up, along with Happy Birthday decorations. *If you'd like to bring your own* decorations, please let us know in advance and we'll leave space for them.
- Once all guests have arrived and are ready for the skate session, your party host will escort everyone to the rink 30 minutes beforehand to ensure skates, helmets, and skate aids are properly fitted and ready to go. Your party host will remain available throughout your 45-minute session to assist where needed.

You are able to bring your own cake or desserts to celebrate the birthday child! We have the facilities to store this for you until you are ready to serve.

All parties go for 3 hours.

• After skating, all party guests will head to the marshmallow roasting station for 10 minutes of warm toasting fun. During this time, the kitchen will be preparing your catered food. • Finally, guests will be directed upstairs for food and drinks to celebrate and close out the party.
